EXPERIENCE

Market Entry & International Expansion Intern | NoSongRequests.com Jun to Aug 2026
- Built a bottom-up TAM/SAM/SOM model for the Philippine DJ and live-events market from venue and active-DJ counts.
- Ran competitive and regulatory research and flagged GCash/Maya payment collection as a blocking risk in the go-to-market plan; the founder adopted my recommendation to reverse it.
- Designed a 4-week validation framework with explicit kill criteria to test demand before committing engineering time.
- Identified karaoke venues as the lead use case and Facebook Groups and DJ referrals as the lowest-cost acquisition channels.

Global Studies Research Intern | California Lutheran University Sep 2026 to Present
- Research program structure and course requirements to design an international business pathway for Global Studies students, reporting plan and strategy to the department chair.

Data Analyst | School of Management Brand Ambassadors, CLU Spring 2026 to Present
- Build monthly, annual, and event performance reports on YouTube, Instagram, and TikTok using Hootsuite analytics.
- Translate engagement data into content recommendations, shifting the posting mix toward top-performing formats.

LEADERSHIP

President | United Students of the World, CLU 2026 to Present
- Lead the club's executive board on event planning, logistics, and promotion, including the November 2026 World Fair.

VP of Events | American Marketing Association, CLU Spring 2026 to Present
- Run professional-development events end to end, from speaker outreach and scheduling to logistics and promotion
